

Delivery Boy Login

Separate login facility for the delivery boy to manage the orders.

The image shows a smartphone screen displaying the login interface for a delivery boy. At the top, the status bar shows the time 6:28, LTE signal, and battery level. The app header features an illustration of a delivery person on a red scooter with a yellow box, set against a background of stylized trees. Below the illustration is the 'eFreshBuy' logo, with the tagline 'A Joint Venture of Fruits Garden' underneath. The main heading is 'Login'. There are two input fields: 'Email ID' with the text 'roni_cost@example.com' and 'Password' with a masked password '.....'. A red 'LOGIN' button is positioned below the password field. At the bottom, there is a link for 'Forgot Password'.
